

CCDP Boot Camp

CCBOOTCAMP® is pleased to offer the official authorized Cisco CCDP® course. Our CCDP Boot Camp contains twelve consecutive days of intense training from our Cisco® certified industry experts. This course is designed to assist students in obtaining their CCDP certification for an unbelievably low price.

Pre-Requisites

- Valid CCNA Certification.
- Valid CCDA Certification.

Course Summary

This official authorized Cisco course is offered by CCBOOTCAMP, a Cisco Learning Solutions Partner®, and is designed specifically to prepare students for all three CCDP Exams. The CCDP (Cisco Certified Design Network Professional) certification validates advanced knowledge of intelligent network design concepts and principles and can discuss, design, and create advanced addressing and routing, security, network management, data center, and IP multicast complex multi-layered enterprise architectures that include virtual private networking and wireless domains.

Course Description

- This course is designed specifically to prepare students to pass all three CCDP Exams.
- CCBOOTCAMP offers its students the choice of on-site or remote boot camp. Choose the option which best suites your needs. Attend a boot camp at one of our facilities or attend the boot camp remotely.
- Class length is twelve consecutive days, and runs Monday through the following Friday, typically from 9:00 AM to 8:00 PM. In addition to classroom time, there will be daily homework assignments to be completed at night. These are eleven hour days, so students should arrive at our facility rested and prepared to work.
- Students take one exam approximately every four days (three exams total).
- CCDP class will have a maximum of ten students.
- Each student receives dedicated instructor mentoring to ensure all concepts are completely understood.
- CCBOOTCAMP courseware and hardware are updated to reflect the current content of the CCDP Exams.
- We offer the most advanced equipment in the industry. You get your own equipment to work with. No gear sharing!
- Access is provided to the classroom racks 24 hours a day.
- We are a VUE testing center, so you take your exams at our facility.
- Free access to www.routerie.com, one of CCBOOTCAMP's technical discussion forums.
- Free practice questions and three test attempts are included (one attempt per exam – a \$450 value)!
