

CCIE Voice Foundation Lab Boot Camp

CCBOOTCAMP® is pleased to offer the official authorized Cisco CCIE® Voice Foundation Lab course. Our CCIE Voice 5-Day Instructor-Led Foundation Lab Boot Camp contains five consecutive days of intense training from our Cisco® certified industry experts. This course is designed to assist students in passing their CCIE Voice Lab Exam.

Pre-Requisites

- Students should have a basic understanding of all of the CCIE Voice Lab technologies listed on the Cisco CCIE Voice Lab Blueprint.
- Students should be passed a CCVP® level and have completed their CCIE Voice Written Exam.
- Students should take a look at the labs through our CCIE Voice Technology Lab Workbook. Completing this workbook is not a pre-requisite but will enable you to have a better understanding of the topics covered during the course.
- Students should be starting to prepare for their CCIE Voice Lab Exam and have scheduled a CCIE Lab Exam date through Cisco.

Course Summary

This official authorized Cisco course is offered by CCBOOTCAMP, a Cisco Learning Solutions Partner®, and is designed specifically to prepare students for passing the CCIE Voice Lab Exam. The CCIE (Cisco Certified Internetworking Expert) Voice certification validates the expert knowledge and mastery of skills required to configure and manage all elements found within the Cisco CCIE Voice Blueprint.

Course Description

- CCBOOTCAMP offers its students the choice of on-site or remote boot camp. Choose the option which best suites your needs. Attend a boot camp at one of our facilities or attend the boot camp remotely.
- Class length is five consecutive days, and runs from 9:00 AM to 5:00 PM Monday through Friday. In addition to classroom time, there will be daily homework assignments to be completed at night. These are very full days, so students should arrive at our facility rested and prepared to work.
- CCIE Voice Foundation Lab class will have a maximum of eleven students.
- Each student receives dedicated instructor mentoring to ensure all concepts are completely understood.
- CCBOOTCAMP courseware and hardware are updated to reflect the current content of the CCIE Voice Lab Exam. Our courseware and labs are updated after each class based on previous feedback.
- We offer the most advanced equipment in the industry. You get your own equipment to work on. No gear sharing!
- Access is provided to the classroom racks 24 hours a day.
