

CCIE Voice Mock Lab Boot Camp

CCBOOTCAMP® is pleased to offer the official authorized Cisco CCIE® Voice Mock Lab course. Our CCIE Voice 5-Day Instructor-Led Mock Lab Boot Camp contains five consecutive days of intense training from our Cisco® certified industry experts. This course is designed to assist students in passing their CCIE Voice Lab Exam for an unbelievably low price.

Pre-Requisites

- Able to complete the labs in our advanced lab workbook without looking at the explanations or answers.
- A comprehensive understanding of all the technologies listed on the Cisco CCIE Voice Lab Exam Blueprint.

Course Summary

This official authorized Cisco course is offered by CCBOOTCAMP, a Cisco Learning Solutions Partner®, and is designed specifically to prepare students for passing the CCIE Voice Lab Exam. The CCIE (Cisco Certified Internetworking Expert) Voice certification validates the expert knowledge and mastery of skills required to configure and manage all elements found within the Cisco CCIE Voice Blueprint.

Course Description

- CCBOOTCAMP offers its students the choice of on-site or remote boot camp. Choose the option which best suites your needs. Attend a boot camp at one of our facilities or attend the boot camp remotely.
- Class length is five consecutive days, and runs from 9:00 AM to 5:00 PM Monday through Friday. These are very full days, so students should arrive at our facility rested and prepared to work.
- CCIE Voice Mock Lab class will have a maximum of eleven students.
- Each student receives dedicated instructor mentoring to ensure all concepts are completely understood.
- CCBOOTCAMP courseware and hardware are updated to reflect the current content of the CCIE Voice Lab Exam. Our courseware and labs are updated after each class based on previous feedback.
- We offer the most advanced equipment in the industry. You get your own equipment to work on. No gear sharing!
- Access is provided to the classroom racks 24 hours a day.
