

CCNA Boot Camp

CCBOOTCAMP® is pleased to offer the official authorized Cisco CCNA® course. Our CCNA Boot Camp contains five days of intense training from our Cisco® certified industry experts. This course is designed to assist students in obtaining their CCNA certification for an unbelievably low price.

Pre-Requisites

- The CCNA candidate must possess a thorough understanding of network fundamentals including OSI model, TCP/IP Protocol, and basic Cisco hardware familiarity. Net+ and/or an MCP are suggested, though not required.
- Existing Internetworking knowledge.

Course Summary

This official authorized Cisco course is offered by CCBOOTCAMP, a Cisco Learning Solutions Partner®, and is designed specifically to prepare students for the CCNA Exam. The CCNA (Cisco Certified Network Associate) certification validates the ability to install, configure, operate, and troubleshoot medium-size routed and switched networks, including implementation and verification of connections to remote sites in a WAN. This new curriculum includes basic mitigation of security threats, introduction to wireless networking concepts and terminology, and performance-based skills. This new curriculum also includes (but is not limited to) the use of these protocols: IP, Enhanced Interior Gateway Routing Protocol (EIGRP), Serial Line Interface Protocol Frame Relay, Routing Information Protocol Version 2 (RIPv2), VLANs, Ethernet, and access control lists (ACLs).

Course Description

- This course is designed specifically to prepare students to pass the CCNA Exam.
- CCBOOTCAMP offers its students the choice of on-site or remote boot camp. Choose the option which best suites your needs. Attend a boot camp at one of our facilities or attend the boot camp remotely.
- Class length is five consecutive days, and runs Monday through Friday, typically from 9:00 AM to 5:00 PM. In addition to classroom time, there will be daily homework assignments to be completed at night. These are very full days, so students should arrive at our facility rested and prepared to work.
- CCNA class will have a maximum of twelve students.
- Each student receives dedicated instructor mentoring to ensure all concepts are completely understood.
- We offer the most advanced equipment in the industry. You get your own equipment to work with. No gear sharing!
- Access is provided to the classroom racks 24 hours a day.
- We are a VUE testing center, so you take your exams at our facility.
- Free access to www.routerie.com, one of CCBOOTCAMP's technical discussion forums.
- Free practice questions and one test attempt is included (a \$250 value)!
