

## CCNP Boot Camp

CCBOOTCAMP® is pleased to offer the official authorized Cisco CCNP® course. Our CCNP Boot Camp contains twelve consecutive days of intense training from our Cisco® certified industry experts. This course is designed to assist students in obtaining their CCNP certification for an unbelievably low price.

### Pre-Requisites

- Valid CCNA Certification.

### Course Summary

This official authorized Cisco course is offered by CCBOOTCAMP, a Cisco Learning Solutions Partner®, and is designed specifically to prepare students for all four CCNP Exams. The CCNP (Cisco Certified Network Professional) certification validates the ability to install, configure and troubleshoot converged local and wide area networks with 100 to 500 or more nodes. Network professionals who achieve the CCNP have demonstrated the knowledge and skills required to manage routers and switches that form the network core, as well as edge applications which integrate voice, wireless, and security into the network.

### Course Description

- This course is designed specifically to prepare students to pass all four CCNP Exams.
- CCBOOTCAMP offers its students the choice of on-site or remote boot camp. Choose the option which best suites your needs. Attend a boot camp at one of our facilities or attend the boot camp remotely.
- Class length is twelve consecutive days, and runs Monday through the following Friday, typically from 9:00 AM to 8:00 PM. In addition to classroom time, there will be daily homework assignments to be completed at night. These are eleven hour days, so students should arrive at our facility rested and prepared to work.
- Students take one exam every three days (four exams total).
- CCNP class will have a maximum of ten students.
- Each student receives dedicated instructor mentoring to ensure all concepts are completely understood.
- We offer the most advanced equipment in the industry. You get your own equipment to work with. No gear sharing!
- Access is provided to the classroom racks 24 hours a day.
- We are a VUE testing center, so you take your exams at our facility.
- Free access to [www.routerie.com](http://www.routerie.com), one of CCBOOTCAMP's technical discussion forums.
- Free practice questions and four test attempts are included (one attempt per exam – a \$600 value).
