

CCSP Boot Camp

CCBOOTCAMP® is pleased to offer the official authorized Cisco CCSP® course. Our CCSP Boot Camp contains twelve consecutive days of intense training from our Cisco® certified industry experts. This course is designed to assist students in obtaining their CCSP certification for an unbelievably low price.

Pre-Requisites

- Basic Cisco Security knowledge and/or experience.
- Valid CCNA Certification.
- Valid CCNA Security Certification.

Course Summary

This official authorized Cisco course is offered by CCBOOTCAMP, a Cisco Learning Solutions Partner®, and is designed specifically to prepare students for all five CCSP Exams. The CCSP (Cisco Certified Security Professional) certification validates advanced knowledge and skills required to secure Cisco networks. With a CCSP, a network professional demonstrates the skills required to secure and manage network infrastructures to protect productivity and reduce costs. The CCSP curriculum emphasizes secure VPN management, Cisco Adaptive Security Device Manager (ASDM), PIX firewall, Adaptive Security Appliance (ASA), Intrusion Prevention Systems (IPS), Cisco Security Agent (CSA), and techniques to combine these technologies in a single, integrated network security solution.

Course Description

- This course is designed specifically to prepare students to pass all four CCSP Exams.
- CCBOOTCAMP offers its students the choice of on-site or remote boot camp. Choose the option which best suites your needs. Attend a boot camp at one of our facilities or attend the boot camp remotely.
- Class length is twelve consecutive days, and runs Monday through the following Friday, typically from 9:00 AM to 8:00PM. In addition to classroom time, there will be daily homework assignments to be completed at night. These are eleven hour days, so students should arrive at our facility rested and prepared to work.
- Students take one exam every three days (five exams total).
- CCSP class will have a maximum of ten students.
- Each student receives dedicated instructor mentoring to ensure all concepts are completely understood.
- CCBOOTCAMP courseware and hardware are updated to reflect the current content of the CCSP Exams.
- We offer the most advanced equipment in the industry. You get your own equipment to work with. No gear sharing!
- Access is provided to the classroom racks 24 hours a day.
- We are a VUE testing center, so you take your exams at our facility.
- Free access to www.securityie.com, one of CCBOOTCAMP's technical discussion forums.
- Free practice questions and four test attempts are included (one attempt per exam – a \$600 value)!
